Issue 35.11

14 November 2011

### Principal's Message

#### Dear Parents

Congratulations to our Year 6 students and the staff who spent three days last week in Canberra. From all reports the students represented Engadine West Public School admirably and all involved had an enjoyable and educational time away. Thank you to everyone involved, especially the staff who gave up many personal hours to ensure the excursion could go ahead.

Last week was also a very sad time with the sudden passing of Mrs Sams' husband. Our deepest sympathies are with Bronwyn at this time. Thank you also to the parents who attended the funeral last Friday.

#### Kindergarten Transition

Last week we had our 2012 Kindergarten children visit our school twice. The feedback the school received was that everyone involved were impressed with their initial experiences at our school. Thank you to all the staff both in the office and in the classrooms for their efforts as well as the hard working parent team who helped to sell the uniforms.

#### Regional Public Speaking

On Tuesday this week Engadine West Public School will be hosting the Sydney Region Public Speaking Finals. Thanks to Mr Murphy's hard work, our school will be the show piece of the region. The Regional Director, Dr Phil Lambert, may also be visiting the school. The finals will be held in our school hall. Well done Mr Murphy and congratulations to some of our students who will provide the entertainment throughout the day.

#### Stranger Danger

There has been a number of incidences of Stranger Danger in the Sydney Region and Sutherland Shire recently. For the safety of all our students, teachers regularly reinforce the correct procedures for children to follow if approached by a stranger. To help consolidate these strategies, please talk to your child/children about stranger danger.

#### Comments on Facebook

It has been brought to my attention that a small number of parents are making negative comments about some staff on Facebook. Can I remind parents that if you have an issue, please contact the school for an appointment with the relevant staff member or myself. Making disparaging and inaccurate comments does not help resolve the problem. Remember we should be working together for the best education of your children.

Have a great week!

Garry Royston  
Principal

#### No Hat, No Play Policy

The **green school hat** plays **an important part in providing sun protection** when the children go outside to play and do sport. All children are expected to wear their school hat **everyday throughout the year**.

The school has a **no hat-no play** policy.

We are striving to be a nut free school - please ensure peanuts, nuts, peanut butter and Nutella as an ingredient are not brought into the school

## Deputy Principal's Report

### Master Chefs

The fun continued in 5R last week with Ms Rainer and her class making some delicious sweets that they generously shared with staff members. We know how much the students enjoy these engaging lessons.

### Recipes

Our recipe book fundraiser for 2012 will be cancelled if we don't receive more recipes this week. If you would like to have your child/ren's picture in the book alongside a recipe, simply email the picture and your favourite recipe to [suegreen65@gmail.com](mailto:suegreen65@gmail.com). We like as many students as possible to have their pictures in the recipe book.

### School Rules

We encourage all students, staff and community members to follow our 3 simple rules: Be safe, be respectful and be a learner. These rules apply to students travelling to and from school and the rules even apply at home if students are contacting fellow Engadine West students online or via sms.

### 50th Anniversary Meeting

The next 50th Anniversary meeting is tomorrow night Tuesday 15th November in the staffroom at 7pm.

### Year 6 Photos

Year 6 students and their parents can email any photos they would like included in the slideshow that will be displayed at the farewell to [yr6ewps2011@hotmail.com](mailto:yr6ewps2011@hotmail.com)

**Steve Fuller and Craig Snudden**

## Shining Stars

Congratulations to Eleanor C (3B) for gaining her Junior BP Award with 1st Engadine Brownies (Girl Guides). This is the highest award that can be achieved in the Junior Guide section (7-11 years). Eleanor did such things as raising money for the MS Readathon, learnt a new skill in canoeing, visited different places of worship, learnt morse code and had an Indian themed night at Brownies. Well done Eleanor!

Congratulations to Alyssa G (3D) and Holly L (6C) who received Junior Dancer of the Year awards at their dance concert over the weekend. Monique G (6C) and Marissa H (3M) each received an Outstanding Award and Tiffany P (6H) an Encouragement Award. Emily L (5/6H) was cast as "Molly" in the production of 13 The Musical with Shire Musical next March. Well done girls!

## Year 6 Excursion to Canberra

Last week Year 6 students travelled to our nation's capital to participate in an action-packed civics and citizenship excursion to support their studies on Australian democracy and Government. On Wednesday the students visited the Royal Mint, the Australian War Memorial, the Australian Institute of Sport and Cockington Green. On Thursday they went to Old Parliament House, the Museum of Australian Democracy, the Electoral Education Centre and Telstra Tower. They also visited the National Parliament House, where they took part in a mock parliamentary debate, saw the Senate in action, and toured the House of Representatives. The last day saw them visit the National Film and Sound Archives, the National Library, the National Museum and Questacon.

The Parliament and Civics Education Rebate (PACER) Program provides a travel subsidy for Year 4–12 students across Australia to visit Parliament House, Old Parliament House and the Australian War Memorial and other national institutions as part of their civics and citizenship education. The PACER program is funded by the Department of Education, Employment and Workplace Relations. This year the school received \$20 per student as a part of the PACER scheme, which went towards the cost of this excursion.

We are very proud of our students, who displayed excellent behaviour whilst away. We would like to thank the Year 6 teachers and Mr Fuller who took the students away - without teachers who are willing to give up their own time for no extra pay, excursions like this could not happen.

**Hugh Hogan**  
*Assistant Principal*

## Year 6 Fundraising - Fun Day!

On Tuesday 22 November, the Year 6 students will be running a mini Fun Day to raise money for their end of year activities and gift to the school. On the day, all students are invited to wear 'Crazy Socks' to get in the mood. At lunchtime on the day there will be a range of activities and stalls available, including a raffle, drink stand, face painting, treasure hunt, sock wrestle, putt-putt golf, dodgeball arena, toffees... and so much more! The cost of activities will range from 20c to \$2.00. We thank you in advance for your support of this Year 6 initiative.

## K-2 Assembly - Special Visitor

Craig Stevens, dual Olympic swimmer, will be visiting the K-2 Assembly this Friday 18 November. Craig is the Premier's Sporting Challenge Ambassador and will speak to the students and give out individual Premier's Sporting Challenge encouragement awards to nominated students. All parents are welcome to attend.

## 50th Anniversary Pencil Case & Sticker

The EWPS 50th Anniversary Committee has designed a limited edition pencil case and bumper sticker to be sold as part of the celebrations happening during 2012.

The pencil case will be for sale for \$8.00 and the bumper stickers for \$2.

If you would like to buy either of these items they will be for sale at the Kindergarten Transition day on Wednesday 16 November 9.15–11.00am outside the hall.

If you can't make it on this day we will be arranging another date on a Friday during assembly times later in the term.

## Charcot Marie Tooth (CMT) Awareness

Eleanor C (3B) recently presented a book to EWPS called 'Arlene on the Scene' about a primary school girl growing up with Charcot Marie Tooth (CMT). Eleanor is also living with CMT and presented a talk at a recent Primary Assembly about the disease. This was part of the inaugural global CMT Awareness Month.

She explained how she inherited it from her dad, and how it affects the way she walks (gross motor) and writes (fine motor) along with many other things. It is really difficult to balance and do up shoelaces and buttons. The muscles and nerves in her body don't work the same way as ordinary people and Eleanor explained this is why she usually comes last in races.

She also needs to wear orthotics in her shoes to help her feet stay stable.

CMT is linked to hip dysplasia and scoliosis. The key, Eleanor believes, is to smile and be positive through all the challenges CMT brings. Check out [www.cmt.org.au](http://www.cmt.org.au)

## Library News

All library books will need to be returned by the end of this week, Friday 18 November for stocktake. Thank you for your co-operation.

## Getting Organised

On the School A to Z website, listen to Shannon Lush's advice about how to organise your household in a way that will leave you with more time to enjoy your family. Go to: [www.schoolatoz.nsw.edu.au/web/dec-schools-a-z/homework-and-study/homework-tips/organising-the-home-for-a-smooth-school-run](http://www.schoolatoz.nsw.edu.au/web/dec-schools-a-z/homework-and-study/homework-tips/organising-the-home-for-a-smooth-school-run)

## Toy Recycling

With Christmas fast approaching, have you considered donating your youngest child's unwanted toys to charity? Many families feel the pinch over this time and donations to all charities are much appreciated. A new resource for quality used goods is Second Chance Toys ([www.secondchancetoys.com.au](http://www.secondchancetoys.com.au)), an Australia-wide community initiative to rescue and recycle gently used plastic toys by donating them to children in need. Check out the website for more information, or donate at your local op shop, charity or drop off bin.

## Live Life Well

### Some Interesting Vegetable Facts

Frozen vegetables are usually snap frozen on ripening and can have the same nutritional value as fresh vegetables.

- ★ Try to include 5 different vegetables everyday.
- ★ Different coloured vegetables can provide different vitamins and other nutrients.
- ★ Eating enough vegetables can protect you against many lifestyle diseases including heart disease, stroke, some cancers and diabetes.

### The Parents Jury

The Parent Jury is a web-based network of parents who are endeavoring to improve the food and physical activity environments for children in Australia. Areas of work so far include junk food free children's TV and confectionery free supermarket checkouts. Members receive regular emails with links to current articles and are encouraged to add their opinions on issues that can effect families nutrition and activity levels. To find out more go to [www.parentjury.org.au](http://www.parentjury.org.au)

### Foods and Asthma

The major triggers for asthma include infections, passive smoking, exercise, the weather and temperature changes.

Food, drinks (including milk), food chemicals and additives are less frequent triggers. Before eliminating foods or drinks from the diet, discuss with your doctor or health care provider. Restricting specific foods or food groups can mean missing out on essential nutrients. A poor diet can lead to poor health which can make asthma worse. A restrictive diet can also prevent a child from reaching their full potential.

## TAKE HOME A BIG BROTHER OR BIG SISTER

Give your children the wonderful opportunity to have an international big brother or big sister by hosting one of our exceptional international students arriving in Australia in February 2012 for their 5 or 10 month programs. Our international students from France, Germany, Italy, Austria Japan, Scandinavia and the U.S.A will live as a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at [www.scce.com.au](http://www.scce.com.au), email [scceaust@scce.com.au](mailto:scceaust@scce.com.au) or call us toll free on **1800 500 501**, request our little booklets of international student profiles, and capture the spirit of family and friendship!
