Band Program to Begin – TUTORIALS ONLY

Dear parents/carers,

We are getting the band back together! YAY! We will only be hosting tutorials at this stage. Whole band rehearsals are unable to be held at this point in time as the size of our band and our rehearsal space makes it very difficult to adhere to COVID-19 restrictions.

As we are unsure of any future COVID-19 restrictions/possible changes, we will only be charging band fees on a termly basis. Term 1 fees will be \$50 due to the shorter term and changes in our program structure. A tutorial timetable and further information will follow soon.

If you have any concerns or questions about the above information, please contact Mrs Winton via email at maddie.winton@det.nsw.edu.au
