Drop off and pick up arrangements for band tutorials:

- Students may remain at school in the **school library** while waiting for tutorials to start where they will be supervised by a member of staff on a rotating roster. They will be required to bring a quiet activity (eg homework, a book, card game etc) to the library while they wait.
- If you are unable to pick your child up at the conclusion of their tutorial, students should return to the library to await pick up. Parents may call the following mobile number if needing to contact the supervising teacher - 0448 526 747.
- For safety reasons, there are to be no students in the basement or the playground after school hours.
- Parents/carers may park on school grounds in the car park only after 4:30pm.
- **Students are not permitted in the staff car park or to leave the school grounds without parental accompaniment.**

Please add the **Band 2023** group to your selected groups on Skoolbag to ensure you remain up to date with band notifications.

Band Administration Fee:

BandTime fees are collected by Engadine Music and are payable directly to them via a Standing Order Authority (SOA).

There is also a one-off annual band administration fee payable to the school of \$100 (or \$25 per term) to cover the purchase of music, the repair and replacement of band assets such as music stands and supervision of students whilst on school grounds. Your prompt payment of this fee would be appreciated.

Band shirts:

Band shirts will be ordered later this term for new band members. The cost will be approximately \$35. Further information will be distributed at a later date.
